REAL ESTATE

Q & A

What is your favorite thing about Williamsburg?

The amazing areas that you take long walks. Historic area, W&M campus, Jamestown Island, State Parks and the Colonial Parkway.

What initially drew you to real estate?

Flexibility of creating my own schedule. I have always enjoyed design and decorating.

How does your background bring a unique perspective to your work?

My Father fixed everything himself and talked my Brother and I through most of the things he fixed around the house. So we would have an understanding on how a home works. Starting in new construction also helped.

Why is relationship building so key to your success?

Because the people you build relationships with trust you enough to recommend you to others.

How has your previous experience benefited your practice of real estate?

I try to take classes when I can for new construction, building green, septic, wells and anything else that I think will help me with my career.

What is your mission statement?

Excellence, honesty and a professional reputation.

How do you give back to the community?

I am a member of the Williamsburg Garden Club, Garden Club of Virginia, where she served as the 2015 GCV Symposium Co-Chair and also as the Chair of The Williamsburg Garden Club Historic Garden Week tour in 2013 and 2023. Misty has served on the boards of the Triangle Arts and Culture League, YMCA, WAAR MLS, Landfall at Jamestown, and many fundraising committees.
